

Hollins University

Transfer Module

Prospective students must select from the following Virginia Community College system (VCCS) courses in order to complete the transfer module. All courses must be completed within the VCCS and students must earn a grade of C or better in each course if they wish to transfer the set as a module. This package should be acceptable at Hollins University as complete fulfillment of the Hollins general education core (Education through Skills and Perspectives). Students do not have to complete the associate's degree to fulfill the Hollins Transfer Module, and completing an associate's degree does not guarantee fulfillment of the transfer module.
